

VIRTUAL VOLUNTEER OPPORTUNITIES

Social Distance & Still Show Up!

Looking for a way to virtually give back during these challenging times? All you need is a big heart and a little spare time to make a huge impact in the life of a young person experiencing homelessness.

E-NOTES OF ENCOURAGEMENT

Looking for a quick way to make an impact? Send a note of hope, happiness, and encouragement to NPHY youth during this challenging time. Your e-note of encouragement will be given to a young person experiencing homelessness at NPHY's Drop-In Center, Emergency Shelters, and Independent Living Program.

HOW-TO HOBBY BOXES

How about sharing your favorite hobby or creating a special craft for a young person experiencing homelessness? Your creative passions can help youth learn something new, stay engaged, and be uplifted while they #stayhome4NV in NPHY's Emergency Shelters and Independent Living Program. Hobbies and crafts might include painting, calligraphy, knitting, t-shirt tie-dying, ... and more!

NPHY SOCIAL MEDIA ADVOCATE

Only have 10-15 minutes to virtually volunteer? Easy - in that short amount of time you can make a big impact by helping NPHY spread awareness about youth homelessness in Southern Nevada. Become a social media advocate by downloading statistics, graphics, and sample calls-to-action for support of our community's vulnerable youth.

COFFEE & CATCH UP

Are you an official NPHY volunteer on hiatus due to #stayhome4NV? Stay engaged over a cup of coffee and a virtual session with other volunteers and the NPHY Community Engagement team. These bi-weekly sessions will feature special guests to talk about NPHY updates and provide an opportunity to ask questions or find new ways to be involved.

SUNSHINE KITS & HYGIENE KITS

Help NPHY keep essential items in the hands of youth experiencing homelessness. Create "sunshine kits" or hygiene kits filled with food and hygiene items for NPHY youth.

For more information on virtual volunteer opportunities, visit www.nphy.org/covid19 or email volunteer@nphy.org.
Until it's safe to meet in person, we look forward to seeing you virtually!
