The 7th Annual Summit: The Movement to End Youth Homelessness Expands Statewide

Over the past six years, the Summit brought together stakeholders across sectors to tackle youth homelessness in Southern Nevada. However, we know the youth homelessness crisis impacts every corner of our state, and we need statewide solutions to create transformational change.

That's why we're excited to take our work statewide at Summit 2023, and we need you to make this happen.

Sponsor the 7th Annual Nevada Youth Homelessness Summit and help us build The Movement End Youth Homelessness across Nevada.

Why Invest in the Movement To End Youth Homelessness: The Highlights

The Nevada Youth Homelessness Summit is our state's only event dedicated to ending youth homelessness. Through the learning and actions at these annual convenings, the Movement has:

- Led the process to create the **first-ever Southern Nevada Plan to End Youth Homelessness**.
- Championed **state legislation** to break down barriers to youth obtaining vital documents and critical health care.
- Co-authored **research briefs** on youth homelessness with the UNLV Greenspun College of Urban Affairs.
- Collaborated with local partners and national experts to lead the process to create the Southern Nevada Youth Homelessness Community **Needs Assessment**.
- Launched The **Movement Institute**, a quarterly hands-on advocacy training designed to educate and create community champions.

Youth Homelessness Summit Reach:

The Summit has brought together thousands of community members (between 250 - 500 registered attendees per event) from a wide range of industries.
